NEWSLETTER, DECEMBER 2021

## A year to remember

Dear Compagniesdrift friends

We have come to the end of a very challenging year and as I look back, the highlights and low lights of this year flashes past in my mind's eye.

We started this year reeling with the effects of sporadic and continuous restrictions on alcohol sales, which, as for all other wine and alcohol distributors in the country, negatively affected our business. But we pulled through the difficult times and our wine sales are at a healthy level due to your support and patronage. We are grateful for your loyalty to our brand and for helping us to build our sales momentum again.

# Let's celebrate!

We also have some good news! We celebrated our 11th birthday on 1 December and we are truly blessed to be growing in business

The cherry on our proverbial cake is definitely our new Wine and Farm Shop, which opened on 2 November 2021. We couldn't be more proud of the team who worked tirelessly to make this dream of ours come to life! The Wine and Farm Shop is a place where you can feel at home, while you enjoy our beautiful wines, home-made preserves and branded merchandise. Our staff are ever ready to welcome and serve you with true Compagniesdrift hospitality. Come visit us and become part of the Compagniesdrift family.

## We remember

We lost a dear friend and colleague due to Covid-19 and as unexpected as her passing was to us, it once again made this virus and the extent of the pandemic very real to us. We will keep doing our best to protect you and ourselves while the authorities are battling to keep the virus under control.

Rest peacefully Janine, we will always remember you!

We wish you a safe, blessed and happy festive season with your loved ones and a prosperous and exciting new year ahead.

Warm regards  
Ilse Ruthford & the Compagniesdrift Team
