COMPAGNIESDRIFT

NEWSLETTER, SEPTEMBER 2022

New season brings new things

Dear Compagniesdrift friends

September is the start of spring and it reminds us of new and blossoming things, not only in nature, but also at our company.

We are back at food festivals and wine shows and it gives us so much joy to personally introduce our wines to a myriad of wine lovers. Our new vintage wines are ready and awaiting your orders and we will be introducing a very special addition to our collection later this year! It is definitely something to look forward to!

Come visit us at our Wine and Farm Shop and let's raise a glass to a beautiful future for all of us!

Compagniesdrift is going places!

After two very successful shows in Cape Town and Johannesburg, Compagniesdrift is heading out to **Durban** for the **Pick n Pay Wine & Food Festival** on **3 September** at Chris Saunders Park, Umhlanga.

Our friendly wine ambassadors are ready to serve our beautiful wines to festivalgoers and look forward to witnessing their delight when they discover the quality and special aromas of our wines.

The responses from the shows in Cape Town and Johannesburg were overwhelming and we are looking forward to sweep the Durban crowd off their feet as well! Hope to see some of you there!

Ready for spring and summer!

Our 2022 Chardonnay and Chardonnay Pinot Noir are ready and waiting to be enjoyed by you!

With a vibrant rose colour and a mandarin-coloured hue, our Chardonnay Pinot Noir gives you nuances of cherry and berry flavours on the nose, with some stone fruit notes.

Our Chardonnay, pale in colour with a vibrant green hue in the glass, gives aromas of white pears and apricots as well as nuances of lemon. Both wines are versatile and can be enjoyed on its own or paired with your favourite summer food. Contact our Wine and Farm Shop for a tasting and orders <https://www.compagniesdrift.com/wine-farm-shop/>

Women's month staff experience

At Compagniesdrift our people are valued, and we love to do special things together. For women's month, our female staff discovered Canettevallei Lavender Farm

tucked away in Stellenboschkloof.

The ladies learned so much about the different products and uses of lavender and enjoyed walking through

the seemingly endless lavender fields on the farm.

New wine pays tribute to special people

At Compagniesdrift we love to celebrate our milestones because it paves the way for our future, and it commemorates the exciting journey that we're on.

What makes it extra special, is that we get to share it with you, our valued customers and clients.

One particular milestone we will be **launching** later this year is a **new wine** that pays tribute to two very special people who have played a key role in shaping Compagniesdrift into the successful business it is today.

This wine and the story behind it, lies very close to the heart of our MD, Ilse Ruthford.

We hope you will enjoy and love it as much as we do!

Get easier access to our wines all year round by joining our Wine Club today! Simply send an email to wineclub@compagniesdrift.com and we will be in touch.
